## OUR ACTIVITIES

- On Farm testing to identify the location specificity of technology in various farming system.
- Front Line Demonstration to establish Production potentials of technologies on the farmer's fields.
- Training of Farmers, Farm women & Rural youth to update their knowledge and skills in modern agricultural technologies.
- Training of extension personnel of line departments to orient them in the frontier areas of technology development.
- To work as resource and knowledge center of agricultural technology for supporting initiatives of public/private and voluntary sector for improving the agricultural economy of the district.
- To create awareness about frontier technologies through organization of large number of extension activities like Framers fair, Field day, Strategic Campaign and Ex-trainees meet etc & publication of varied literatures.
- Production and distribution of quality seeds and planting materials.

## OUR ACHIEVEMENTS

- KVK conducted 7 On Farm Trials involving 63 beneficiaries on different thematic areas.
- KVK conducted package demonstration involving 42 beneficiaries in 20 ha area for Oilseed and Pulse crops.
- KVK carried out 21 Front Line Demonstration involving 156 beneficiaries on other than Oilseed and Pulse crops.
- Total 54 training courses were conducted and 1250 participants (Farmers, Farm women, Rural Youth & Extension Personnel) were trained.
- 5 qtl. of seeds & 478842 nos. of seedling & sapling were produced in KVK farm and distributed among farmers.
- Total 4 Newsletters and 4 Extension bulletins were published during the reporting year.
- For popularizing the technologies, total 525 extension activities in the form of field days, farmers fair, exhibitions, film shows etc. Were organized in the district.
