

Brief Report on Celebration of Agriculture Education Day by KVK, Sundargarh-II, Rourkela:

Celebration of Agriculture Education Day was organised at Barilepta High School of Nuagaon block. Students of class 9th & 10th were participated in Essay and Drawing Competition conducted by the KVK. After the completion of the performances of the students were evaluated by team of KVK Scientists and School teachers jointly and best of three students were selected to be awarded. A formal meeting was arranged with the School teachers, local progressive farmers and KVK personnel. The students were illumined about the prospects and present scenario of Agriculture and its relevance for the society and the selected students were distributed prizes.
