

Jai Kisan Jai Vigyan Programme

1. One Page Write up

This Programme was organized by KVK, Sundargarh- II in one of our adopted village Khatankudar of Bisra block.. A farmer Scientist Interaction and Awareness Programme on application of Science in Agriculture was conducted and Farmers and Farm Women were sensitized regarding Know How and Do How of latest technologies available at their reach. Three important guests from Block, GP were invited to interact with the farmers and encourage them to adopt latest technologies in agriculture in close collaboration and cooperation with Krishi Vigyan Kendra. The guests appreciated the efforts of KVK to reach the remote locations of the district and transfer the technology through learning by doing. adopt new technologies offered through public extension system. The Assistant Agriculture officer highlighted the Programmes and Schemes of Government by which the farming community could be immensely benefitted. The Scientists of KVK in their interaction with farmers stressed upon Climate Resilient Agriculture, Horticulture, Crop Diversification and women related activities by WSHGs. At the concluding session a Road Show Rally was organized highlighting the activities of KVK and meaningful celebration of Jai Kisan Jai Vigyan Diwas. The rally was led by the guests and the participants followed along with scientists of KVKs. The programme was very successful and the local representatives appreciated the work by KVK and encouraged the farmers.
